

An update from Pastor Mike

Gateway Fellowship Church,

I want to thank all of you for helping make our **Church at Home** experience so special. I know God was given glory and people were blessed with His presence during this unique time of being the church. God has set up many other opportunities ahead of us to keep us engaged with Him, and we need to do this together. *Let's keep the party going!*

With the overwhelming concern about COVID-19 drastically changing our social gatherings, Natomas Unified School District has extended its *closure of all campuses through April 5th*. Currently, this means we will not be able to meet at Discovery High School until April 12th, which is Resurrection Sunday. Wouldn't that be a great miracle if we get to resurrect our communal gatherings in celebration of the best day ever? ***Please pray and fast to see this amazing moment come to life!***

Our Governing Board has recently meet and agreed that they best way we can be caring and responsible neighbors is to continue with Online Services by being a Church at Home until Resurrection Sunday. Therefore, we will not be pursuing any public spaces to host our church in order to honor the recommendations set by our authorities.

We continue to ask you to share this information within your Gateway Fellowship circles. We know that not everyone has subscribed to our newsletters. If someone wants to be added to future notifications, please

have them contact Kami at kami.smelser@gatewayfellowship.net, and she will make sure they are added to the email list.

As we lift one another up in prayer, may we constantly remind one another that we have **not** been given a "*spirit of fear, but of power, of love, and of a sound mind.*" *2 Timothy 1:7.*
